

PRACTICAL APPLICATION _____

1. In **Habakkuk 1:12-13**, the prophet Habakkuk also spoke out against the evil he witnessed. What evil is happening in our world now that we might be able to speak into?

What should your response be to what God is asking you to do?

2. What would change in your life if you made the decision to choose the cross over comfort, God's mission over maintaining the status quo, and sacrifice over selfishness?

Jonah series - Chapter 3

GETTING STARTED _____

1. Looking back over your sermon notes, was there anything from **Jonah 1 and 2** that challenged or confused you, or caught your attention?

2. Have you ever wished for a second chance? If so, what was it?

DIGGING DEEPER _____

1. Read **Jonah 3:1-10**. What do God's actions toward Jonah and the Ninevites teach us about His character?

In **Jonah 3**, both Jonah and the Ninevites were offered a do over. Has there ever been a time when you have been able to offer someone else a second chance?

2. A personal commitment to repentance should be a regular part of following Jesus and living the Christian life. Read **Psalms 51**. In the space below, write down some words the psalmist used to show he repented.

3. On Sunday, Pastor Clay said, "The consequences you're experiencing are God's correction, not God's rejection." How might the following verses help us deal with the messes that remain even after our repentance?

• **Joshua 1:9**

• **Hebrews 10:36-37**

• **1 Peter 1:17-19**

Why are these truths so important for us to understand?

4. God wants to use His children to impact our world for Jesus. As easy as that sounds, we find ourselves frustrated with how effectively we do this. What insights do the following verses give us to living out God's call in making a difference for Him?

• **Luke 11:33**

• **Colossians 1:10**

• **Colossians 3:12-14**

• **1 Peter 3:15**
